Craig Cottle informed the board that they would be signing into place an agreement with Arkansas in the next few weeks. Cottle stated that Oklahoma would probably be the next state to sign the agreement.

Master Electrician Experience Requirements

A copy of the new revised proposed rule change for the Master Electrician's License was distributed to the board for review. The new proposed changes appear under R156-55b-302d. In accordance with Subsection 58-55-302(3) (c) (ii) (D), the time frame established for a licensed apprentice who has six but less than eight years of practical experience prior to May 3, 2004, to complete the experience requirements to qualify for a master electrician license is three years from May 3, 2004 to May 3, 2007. The experience must be under the supervision of a licensed journeyman or master electrician. A motion was made by Brad Stevens to accept the proposed changes, and seconded by Frank Rydalch, all members voted unanimously with Jeff Cutrer abstaining to approve the proposed changes.

David B. Johnson

The board discussed the reinstatement of David B. Johnson as a Journeyman Electrician. According to the reinstatement of his license, David Johnson had answered yes to sexual abuse of a child. Cottle asked the board for recommendations regarding a restricted and probationary license. After the
